CARAVAN PARK

Cambria is a friendly family run site in Towyn, the site is quiet and peaceful, yet close enough to the amenities and award winning beaches. On site there is a Laundrette, Arcade, Bingo Hall as well as the popular Cosy Club Bar.

The bar is popular with visitors as well as the locals, as it has a great atmosphere. The bar is open during the summer season, it has an area outside with a retractable roof in case the British weather isn't so kind!

Within the park there are large areas of green open space, there is an enclosed BBQ area for people to enjoy a BBQ in the sun shine

Having a luxury caravan is more affordable that you think, we have a range of new and second hand caravans available on the park, New Caravans can be purchased from Lloyds Caravans or Roy Kelletts Caravans and be brought onto the site. Contact the office for more information
